## Hours of Operation of the Court

The Court works from 8:00 to 16:00, every work day, with a lunch break from 12:00 to 13:00. The Court does not work on week-ends and public holidays, as defined by the schedule of official holidays of the Kosovo Government. However there is a court permanence which operates 24h a day. The continuity of work is ensured by the judge in charge of criminal preliminary procedure under the supervision of the Court President. Building security is ensured by security guards under the supervision of the Court Administrator.

## Hearing Schedule in the Court

The schedule of hearings, for each judge, is published on the court public board. Hearings are open to the public, except in cases defined by law as closed. Hearings take place in a courtroom, or in the absence of courtroom availability in the office of the judge. The Court has three courtrooms with space for 30 persons. For more information on hearings you may contact the Public Information Coordinator.

## Court Administration in the Court

The administration of Ferizaj/Uroševac Municipal Court provides, among others, the following services: records management, administrative services, public relations, archiving, and financial services.

### 1. Central Records Management Office

The Court's Central Office receives submissions, documents and procedural acts. The Central Office maintains registers in which cases under its jurisdiction are recorded. The Central Office also delivers case documents. Finally, the Central Office processes the case file after closing of the case, and archives closed court cases.

### 2. Judicial services of an administrative nature

The Court also performs administrative services such as verifying/legalizing documents, allowing the review and copy of case files, pulling cases out of archive, and performing other actions in criminal and civil cases.

### 3. Communication with the public

At the Court you can ask for any information you need. Information will be given to you by the Public Information Coordinator or you will be directed to the appropriate office. You can meet with the Court President upon request. The request for a meeting with the Court President must be in writing. A form is available at the Court. Any other day you can contact the Public Information Coordinator for information, notifications or requests.

### 4. Archive

Ferizaj/Uroševac Municipal Court's archive has archived cases from 1945. Archived cases are public under certain conditions. You can access them through a written request to the Court. A form is available at the Court.

### 5. Financial services/cashier

The Court also provides financial services for the parties. You can pay court fees for any submission to the Court. Court fees are defined by the Administrative Direction for the Unification of Court Fees no. 2008/02. Fees up to 5 Euros are paid at the Court whereas fees above that amount must be paid at the bank. The payment order to pay the fee at the bank is available at the Court.
